

Framing Democracy Civil Society and Civic Movements in Eastern Europe

By John Glenn

Stanford University Press. Paperback. Book Condition: New. Paperback. 272 pages. Dimensions: 8.6in. x 5.4in. x 0.6in. At the close of the twentieth century, democracy appeared to have overcome the Cold War partition of the world, as countries across the globe had deposed autocratic regimes and held free elections. Nowhere were these developments dramatized more brightly than in Eastern Europe in 1989, as newly formed civic movements replaced long-standing Leninist regimes with democratic governments. Yet it is clear that the waves of democracy that initially seemed similar have led to widely varying outcomes. While some countries in Eastern Europe were invited to join NATO and the European Union, others were excluded. Former communists were elected to power in post-communist Poland and Hungary, but were largely absent in the Czech Republic and were transformed into populists in Slovakia. These differences have led the author to address several questions, including: How similar actually were the Leninist regimes before their dissolution, and how similar were their demises? How did the way communism fell affect the founding of democratic states in Eastern Europe, notably in Poland and Czechoslovakia? This book offers a critique and reformulation of existing theories of democratization, as well as of earlier understandings of...
