This book was written to enrich your relationships regardless of your marital status. If you have never been married we realize all this may be a little overwhelming. If they couldnt make it work after five tries, what chances do I have You just may be thinking this. This book is especially written for you. We are the crash test dummies that survived to tell you what not to do, so that you can enjoy a happy fulfilled marriage. We have isolated the issues you need to address before and during your marriage so that you dont end up as another statistic. Just think of the possibilities. A golden anniversary, grand-kids, the works! Some chapters are amplifications of topics already discussed and are meant to reinforce certain points. Divorce is painful not only for the couple involved, but also for their extended families, friends, and indirectly to the community at large. But most of all, divorce hurts children. A lot of the tragedy we see on the six oclock news can be traced back to a broken home. Strong families mean happier, safer neighborhoods, and ultimately a more peaceful world. For those of you who are already married, we outline some dos and donts. Ours were also happy marriages at one time. If your marriage happens to be going through a stale phase, as most marriages will on occasion, its never too late to revitalize it, provided you both work at it. Compared to the emotional and financial cost of a divorce, the cost of making personal adjustments by taking in some counseling or reading a few self-help books is minor. Just remember: it takes two to tango....
