Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better than never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

"You know you are in the hands of someone who can tell a story.fantastic." (Zadie Smith). Pak Jun Do knows he is special. He knows he must be the son of the master of the orphanage, not some kid dumped by his parents - it was obvious from the way his father singled him out for beatings. He knows he is special when he is picked as a spy and kidnapper for his country, the glorious Democratic Republic of North Korea. He knows he must find his true love, Sun Moon, the greatest opera star who ever lived, before it's too late. He knows he's not like the other prisoners in the camp. He's going to get out soon. Definitely.
