The Art of Space Management

By Roni Oren

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. The Art of Space Management by Roni Oren is a book written by a manager for managers. This book presents a contemporary model designed to face the dramatic changes in economics culture and society. When the organization faces the chaotic, frenzy business environment, when culture and civilization changes its shape and individuals want much more freedom to influence and make a difference, the manager role has to change. What the organization need more than ever is constant management of its targets, structure and anxieties. Oren identified five key elements which determine the effectiveness of the organizational space. Targets, Boundaries and Degrees of Freedom construct the organizational space and processes of Holding and Containing provide the psycho-social support the organization need. Oren is leading us through the analysis of the five elements and through many examples taken from his varied experience to demonstrate how managing the organizational space through these five elements can reduce the need for control, release energy, increase innovation and creativity in the organizational space and improve results dramatically. While presenting different perception of the...

Reviews

Merely no terms to explain. it was actually writtern quite properly and helpful. I realized this pdf from my dad and i suggested this ebook to discover.

-- **Cletus Quigley**

This composed publication is fantastic. This is certainly for all those who statte that there was not a well worth reading through. You will not truly feel monotony at whenever you want of your respective time (that's what catalogs are for regarding when you ask me).
