The sound was almost deafening. I remember thinking, That was a big one. Then I realized we had been hit. Smoke and dust filled the vehicle; the smell and taste of the explosives filled my nose and mouth. The vehicle stalled from the concussion, and it took a few seconds to clear the 'cobwebs' from my mind; everyone else was quiet for a brief moment.' **Roadside Bombs and Democracy** is a down-to-earth story about one American police officer's experiences as an advisor in Kosovo and Iraq. It gives a ground-floor look at the duties and experiences of a former cop working on the front lines, training and advising police officers in countries torn by war, ethnic, and religious strife. **Roadside Bombs and Democracy** is filled with awe-inspiring stories that will bring awareness to the American public concerning the sacrifices made by both civilians and military men and women during the current War on Terror.
