

When Mystic Masters Meet: Towards a New Matrix for Christian-Muslim Dialogue

By Dr Syafaatun Almirzanah

Blue Dome Press, United States, 2011. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. This book is a study of the role of mystical discourse and experience can play in Christian-Muslim dialogue as a subset of interfaith dialogue in general. It concentrates on the work of two great medieval mystic masters, one Muslim, the other Christian. The Muslim is the Sufi teacher know to centuries of admirers as al-shaykh al-akbar or The Greatest Master -Muhyi al-Din Ibn al- Arabi. The Christian is the great German Dominican mystic and philosophical theologian, whose status as master has become a part of his name--Mesiter Eckhart. The book begins by discussing the life and legacy of each mystic master, and then move on to identify a principal theme in each of their teachings that has significant implications for addressing issues of religious diversity and interfaith dialogue. It will then proceed to its main objective: placing the mystical discourse of these two masters in conversation with one another for the purposes of articulating conversation points between the two discourses which might serve as nodes for a possible new matrix for Christian-Muslim dialogue. --P.
