Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Pattison s Book: Or the Unseeable Future Mr. William M. Pattison has resided in Snohomish county, Washington, for about eleven years. I made his acquaintance soon after his arrival. For the past eight years his life and business has been familiar to me. He is an uneducated man, being just able to read and write; but having only a very small amount of book knowledge. His gift, for such it seems to be - training and education having done almost nothing for him, - does not seem to depend on intellect, education or moral development. It is the wonder working faculty that gives power to the savage medicine man, Indian conjurer, the spiritualist medium, the seer and fortune teller, in every age and among the various races; and which everywhere, to the ignorant and uneducated, seems to be a special revelation from on high, imparting divine wisdom to the sons of men. All we can say is that Mr. Pattison, in an eminent degree, possesses this power, or influence. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
