Wipf Stock Publishers, United States, 2012. Paperback. Book Condition: New. 229 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****.Description: For those who are called to it, pastoral ministry can be a source of deep joy. But there are also challenges. An increasing number of pastors seem to be burning out under the load. Congregations may not be aware of the many and conflicting demands placed on a pastor's time and energies, nor the pastor's need for rest and personal support. *That Their Work Will Be a Joy* was written to encourage mutual understanding between pastors and congregations about the stresses of ministry. The authors present five principles that will help ministry remain more of a joy than a burden. Every chapter contains practical recommendations targeted specifically for pastors, congregational leaders, and even seminarians preparing for ministry. A dozen personal responses to the book, written as letters from people in ministry, have been collected together at the end. The book is helpful as a ministry preparation text, a guide for those serving as pastors, or as a discussion starter for pastors support groups. It will help church committees smooth a pastoral transition, or calm seminary graduates anticipating their first placement. The hope is that stressed-out pastors will recover their sense of vocation, and congregations will begin to fulfill their calling as the body of Christ. Endorsements: With biblical wisdom, Spirit-filled sensitivity, and cultural awareness, seasoned pastor-teachers Lee and Fredrickson offer a timely book. Personally acquainted with the joys and dangers of ministry, their practical insights will lead seminarians, pastors, and congregations to discover themselves and each other anew as the called people of God. --Jaco J. Hamman, Western Theological Seminary This book masterfully unveils to congregants the joy and challenges for pastors as...
