All things else on earth owe allegiance to it. Analytical reason is the supreme attribute of the human mind and to it man owes his present environment Were it not for this faculty there would be no telescope, no railroads, no boats, no telegraph, no telephone, no machinery - there would be no inventions, no progress, whatever. To such we offer financial independence! If you are not in this class, it will be useless for you to read further. The proper course for you to pursue is to place yourself on a brain-food diet, go back to the primer class and get a new start. You are a cipher...
