Reviews

This is actually the very best book i actually have read till now. This is for all those who statte that there was not a worth studying. Its been written in an remarkably straightforward way which is merely following i finished reading this publication by which in fact altered me, modify the way i believe.

(Mr. Jeramy Leuschke IV)

THERE S A GOLDEN SKY: HOW TWENTY YEARS OF THE PREMIER LEAGUE HAVE CHANGED FOOTBALL FOREVER

Bloomsbury Publishing PLC, United Kingdom, 2012. Paperback. Book Condition: New. 196 x 128 mm. Language: English . Brand New Book. Shortlisted for the British Sports Book Award In its first 20 years the Premier League has moved football from a state of unprecedented crisis against a backdrop of recession, strikes and hooliganism to a global sport of unimaginable riches. To mark this anniversary Ian Ridley takes stock of a phenomenon that has changed English football and English society forever. Taking in the game at all levels and across the country, There s A Golden Sky is a full picture of the game today with all its glitz and glamour, rags and riches. From Hackney Marshes, clinging on in the shadow of the Olympic park, to the vastness of Old Trafford; from Doncaster Belles women s team to the rebirth of Cornish football in Truro, through to the modern game s relationship with Sky and the big bucks of Abramovich, Ridley takes us on a journey through the English game from grassroots to the topflight. Ian Ridley took a long hard look at the game back in the early 1990s when it was beset by problems both on and off the pitch and seen as the epitome of all that was wrong with our society. There s a Golden Sky examines just how far the game has come since those dark days, sucking in players and money from around the globe and providing fame, fortune and hours of pleasure in return.
