Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.If you want to read a book about the most generous and inspirational human being of the 20th century, then you will definitely want to purchase this book on Mother Teresa. However, this book is not just a biography of her life and missionary work throughout the world. It is a book about the real Mother Teresa who was born Agnes Gonxha Bojaxhiu. She learned from an early age the importance of being charitable to other people from the guidance of her Catholic upbringing. This led her to receive a calling from God that would change her life forever. It was this calling that eventually made her decide to leave her family in Macedonia and pursue a life devoted to serving God. There are not too many famous nuns of the 20th century. Mother Teresa's fame and celebrity came from simply doing good deeds. She is an inspirational woman because she sacrificed her own comfort and happiness numerous times in order to help others. Even if you are not a religious person, you will still find this book interesting because of the generous human being that she was. Despite living a middle class life while growing up, she had no reservations about becoming poor just to be close to those who needed her the most. How many people in modern times would do the same thing? If more people would act like Mother Teresa then the millions of people in the world still poor and hungry would have a chance at a happier life. This book will not only educate you about who Mother Teresa was, but it will inspire you to lead a more generous life...
