West Academic Publishing, 2007. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Basic tax students hunger for problems that animate the language of the Internal Revenue Code, and this book contains hundreds of problems that vivify the statutory provisions. It also provides excellent practice in statutory analysis. The problems are accompanied by model answers, so that students can comfortably work on their own. Because the problems are arranged topically, the book can be used as an accompaniment to any basic tax casebook. Each problem set contains references to the applicable provisions of the Code and regulations, as well as to the major cases.
