MYTHS AND MYTH-MAKERS: (JOHN FISKE CLASSICS COLLECTION)

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Nevertheless, in spite of his vast reputation, it is very likely that no such person as William Tell ever existed, and it is certain that the story of his shooting the apple from his son's head has no historical value whatever. In spite of the wrath of unlearned but patriotic Swiss, especially of those of the cicerone class, this conclusion is forced upon us as soon as we begin to study the legend in accordance with the canons of modern historical criticism. It is useless to point to Tell's lime-tree, standing to-day in the centre of the market-place at Altdorf, or to quote for our confusion his crossbow preserved in the arsenal at Zurich, as unimpeachable witnesses to the truth of the story. It is in vain that we are told, The bricks are alive to this day to testify to it; therefore, deny it not. These proofs are not more valid than the handkerchief of St. Veronica, or the fragments of the true cross. For if relics are to be received as evidence, we must needs admit the truth of every miracle narrated by the Bollandists.
