MAN TO MAN: THE STORY OF INDUSTRIAL DEMOCRACY

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.John Leitch s epoch marking book, Man to Man, showing how this industrial Moses has solved the labor problem for forty-five or more corporations-how he has secured bigger pay for labor, and obtained from 30 to 300 more work, enthusiastically given, from the workers - how he has completely done away, not only with strikes, but with all labor dissatisfaction and antagonism - how he has transformed the whole relation between employer and employee. * * * * * I CAN SEE nothing ahead but disaster if we accept it as a fact that the natural relation between employer and employee is one of competition and war and that their rights are to be adjudicated either through trial of battle or trial at law. Strikes are culminations of ill-will. Is there not room for practicing a little preventive strike medicine? Those striking words may be taken as the keynote of John Leitch s epoch-marking if not epoch-making book, Man to Man: The Story of Industrial Democracy. Surely the author is not going too far when he says in his introduction, The whole future of the United States is bound up in the establishment of a happy relation between the employer and the employee. If that is so, then it would be difficult to conceive of anything...
