Ward, "The Four Faces of Woman" is a powerful guide to greater Self-Awareness. If you've ever asked questions like 'who am I really?' or 'what does it all mean?' then "The Four Faces of Woman" has some answers for you. These faces are the ones you wear yourself. They are the faces that give you strength and the ones that disempower you. You will learn how to connect with the faces that emerge your eternal beauty, power and joy and what to do about the ones that limit and undermine you. In 1996, at the headquarters of the Brahma Kumaris World Spiritual University in India, 300 women from 42 countries spent one week uncovering "The Four Faces of Woman". Since that time, this evolutionary model has guided tens of thousands of women from around the world back to their authentic selves. Beginning this spiritual journey or a long time traveler, you will be inspired by stories of others who travel alongside you and ones that have gone before. You will find tools and simple, yet profound insights that enable you to be your truest, most loving and powerful self.
