Reviews

This pdf is wonderful. It really is written in simple terms instead of hard to understand. It's been developed in an exceedingly simple way and it is just after I finished reading this ebook in which I in fact modified me, altered the way in my opinion.

New Atlantean Press, United States, 2013. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. THIRD EYE AWAKENING: Adventures of a Clairvoyant Traveler is a compilation of out-of-body experiences by a gifted, mystic seer. Travel with the author to a private retreat hosted by great spiritual masters. Visit ancient Atlantis. Enter forbidden worlds where souls go after death. Meet the dream weavers, who influence cosmic energy and plant seeds in dreams. Exchange energy with fairies and sprites, who exist in other dimensions. Relax on the infinite strands of the universe, where love and light can be experienced and felt. I can jet across the universe. I m ethereal. I don t really have a body. I can create light, sound, movement, vibration, color, matter, energy. I can create my own planet if I want to, but mostly I like to send positive energy towards planets. It ripples and gathers on the planet, but some of it just keeps going out into the universe forever. Listen to Isis giving a speech beneath an Egyptian pyramid. Journey inside a black hole. Imagine a forest where owls sing beautiful songs that create images of nature. Take a tour of an advanced extraterrestrial civilization (and meditate with enlightened Pleiadians on their own planet). See the homes they live in, the theaters they perform in, and the floating cities where they keep their technology off-planet. I m connected with the plants. I m connected with the extraterrestrials, humanity, animals, down to the smallest microorganism. I m connected to star clusters, star planets, Light beings, gas beings, vapor beings, to all types of beings in different dimensions and different worlds. Some of them developed negative ways and some of them are more enlightened. They all share my energy. The third eye...
