Also, many of the activities can be used for pairwork, in which case the students will be practicing speaking. These drawing activities had their beginning in 1978 as part of a Total Physical Response (TPR)* approach to teaching English as a foreign language to university students in Brazil. In 1985 they were incorporated into my book Listen and Perform, and in 2000 into Listen and Act, a book used to teach English in the Amazonas state middle schools.
