KILLING HARRY

iUniverse. Paperback. Book Condition: New. Paperback. 316 pages. Dimensions: 9.1in. x 5.9in. x 0.8in. Harry Brown was a successful San Francisco architect with all the associated trappings: luxurious house, exotic car and envious life style. But Harry was alone. . . until one day the beautiful interior designer, Eva Avenska, comes into his life and their unique love story begins; a love that we might all dream of one day experiencing. But this is just the beginning of their story which twists and turns beyond their control, into a thrilling adventure of tragedy, deceit and manipulation; risking life and death and testing that love to its limits. Lurking just below the surface of this story is another subtle story: a man and a womans psychological struggle for truth and honesty in the knowledge of a more meaningful and potent existence. A truth and honesty which Harry lived by and was prepared to die for. This story will bring your emotions out for some exercise and in the end leave you feeling good and wiser for the experience This item ships from multiple locations.
