*It is one of my personal favorite books. It is one of the most incredible ebooks I have ever read through. You will not feel monotony at any moment of your own time (that's what catalogues are for relating to if you ask me).*

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, The Gods are Watching, Caroline Pitcher, A page-turning thriller from an acclaimed writer. Set in ancient Egypt, this is the story of a young boy, Varro, and his flight from danger as he is pursued along the River Nile by an opportunistic lord. He is believed to be carrying something very valuable - but has no idea what it could be. Full of authentic detail about ancient Egypt, rich imagery of the lush delta plains and the forbidding stone-carved monuments to gods, and exciting, nail-biting tension. The story culminates in an exciting face-to-face encounter with the legendary pharaoh. Acclaim for the series: 'a quartet of books with robust child appeal .the brief is clearly with appeal to those recently emerging from reading schemes but requiring continuing support. But the stories have a fresh originality that will make them great favourites' - Lindsey Fraser, Guardian Education Book of the Week, 13/05/03.
