Reviews

This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

The fiction listings are divided into sections by age (infant to age 14) and arranged by topic: adventure, animals, folk and fairy tales, growing up, mystery, science fiction, sports, and more. Another section lists nonfiction and poetry titles, also arranged by topic. All of the books have been reviewed by the nonprofit Children's Book Committee of Bank Street College of Education. The Committee's members include educators, librarians, authors, illustrators, and parents. Many of the books are also read and evaluated by children who range in age from two to fourteen.
