## EL MOBILIARIO COMO HERRAMIENTA PARA LA ESTIMULACIÓN INFANTIL

Book Condition: New. Publisher/Verlag: Editorial Académica Española | Guía de diseño para diferentes métodos educativos | Los primeros años de vida son la base para el desarrollo biológico, psicológico, social y cultural, y por lo tanto requieren de una especial atención y cuidado del Estado, la familia y la sociedad en general. Es por eso que este proyecto plantea la necesidad de crear entornos dentro del Jardín Infantil que permitan la integración de todos los niños, más allá de sus capacidades y que estimulen la primera etapa de su desarrollo de manera de ser un escalón hacia las siguientes etapas. Los entornos educativos varían en sentido y contenido de acuerdo al método educativo utilizado. Debido a esto es que durante la investigación se analizaron los métodos educativos más populares en el mundo (High Scope, Montessori y Waldorf) tomando como caso para el desarrollo del producto final el método High Scope. Este libro aspira a entregar, desde el Diseño Industrial, una respuesta a necesidades insatisfechas tanto de las aulas preescolares actuales como de los niños que estamos entregando al futuro. | Format: Paperback | Language/Sprache: spa | 144 pp.
