CLIMATE CHANGE: AN INDIAN PERSPECTIVE

Cambridge University Press, Cambridge, UK, 2007. Hardcover. Book Condition: Brand New. Dust Jacket Condition: Brand New. First Edition. The disturbing changes occurring in the global climate and environment has been a matter of concern for the current generation. The exploration and exploitation of nature by human beings have placed tremendous and undue stress on the natural resources. Some of the recent signals of global changes warrant reconsideration of the whole concept of industrial growth that has been adopted so far....
