

Guerrilla Mum: Surviving the Special Educational Needs Jungle

By Ellen Power

Jessica Kingsley Publishers. Paperback. Book Condition: new. BRAND NEW, Guerrilla Mum: Surviving the Special Educational Needs Jungle, Ellen Power, Getting the educational provision you need for your special needs child can feel like an uphill struggle. This book offers clear guidance on how authorities such as Local Education Authorities, schools, the National Health Service and the Government function, what the law entitles your child to, and how you can fight most effectively for the education they need. Basing the book on her own experience of bringing up two sons with special educational needs, Ellen Power describes how she worked with - and in some cases challenged - the authorities to get the right education for her children. Outlining what she did, how she did it, and how you can do the same, she explains clearly the implications of the Special Educational Needs code of practice and the Disability Discrimination Act, as well as giving advice on diagnosis, assessment, and dealing with the authorities. Further sections look at how to address issues such as transition between schools, and bullying. Interweaving real-life experience with practical advice, Guerrilla Mum is essential reading for parents of children with special educational needs and disabilities.
