*It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have ever read through during my individual life and might be the finest publication for ever.*

With that sentiment in mind, Winans wrote Moondog Verse or what he refers to as one independent school teacher s manifesto and manual for teaching creative writing to middle schoolers. While offering advice on how to approach and treat students with respect, Moondog Verse provides lessons and exercises for creative writing assignments as well as thoughts and observations on how to excite young people about the writing process. Emphasizing the use of good models, relevant topics, and personal experience as resource, Moondog Verse encourages teachers to set high standards while allowing students the opportunity to express their ideas and feelings about themselves and the world around them.
