Visit us online at www.1stWorldLibrary.ORG - - This book is only an uncomfortably large note-book; and it has the disadvantages, whether or no it has the advantages, of notes that were taken on the spot. Owing to the unexpected distraction of other duties, the notes were published in a newspaper as they were made on the spot; and are now reproduced in a book as they were published in the newspaper. The only exception refers to the last chapter on Zionism; and even there the book only reverts to the original note-book. A difference of opinion, which divided the writer of the book from the politics of the newspaper, prevented the complete publication of that chapter in that place. I recognise that any expurgated form of it would have falsified the proportions of my attempt to do justice in a very difficult problem; but on re-reading even my own attempt in extenso, I am far from satisfied that the proper proportions are kept. I wrote these first impressions in Palestine, where everybody recognises the Jew as something quite distinct from the Englishman or the European; and where his unpopularity even moved me in the direction of his defence. But I admit it was something of a shock to return to a conventional atmosphere, in which that unpopularity is still actually denied or described as mere persecution. It was more of a shock to realise that this most obscurantist of all types of obscurantism is still some-times regarded as a sort of liberalism. This item ships from multiple locations.
