His responsibility for overseeing the Homicide Unit and everyday exposure violent crimes throughout the city of Birmingham led Herman Hinton to write this novel depicting a young man who takes a circuitous route in his quest to restore the luster in his parents dismal marriage. While in pursuit of what he believes is the key to restoring happiness in his family, Trey Wilcox meets some interesting people who at one time or another crossed paths with his dad, and makes other amazing discoveries. But more than anything else, this long and winding voyage reinforces his belief that family and lifelong relationships are vitally important for survival. This book is designed to help restore family values, to encourage friendly relationships, and to truncate the rise in the number of dysfunctional families across the globe. It is also designed to uplift victims of violent crimes, who might still be in despair because of the unwarranted trauma they have experienced. This item ships from multiple locations.
